# 12 Wythnos o Gymorth i Ddysgu Adref!

Adnodd Selog i ddysgu adref yw hwn, gyda sawl math o deulu mewn golwg gan gynnwys teuluoedd:

- di-Gymraeg ble mae'r plant yn methu ar y cyfle i barhau gyda'u haddysg Gymraeg drwy'r ysgol,
- ble mae'r rhiant yn gweithio o adref a heb amser i addysgu nac yn wir i roi llawer o sylw i'r plant ar adegau,
- Cymraeg iaith-gyntaf sy'n awyddus i gael adnoddau Cymraeg strwythuredig ond heb yr amser i fynd i chwilio ym mhob man,
- ble mae niferoedd y plant neu brysurdeb gofal ychwanegol yn ormod o bwysau eisoes, cyn dechrau meddwl am gynllunio dysgu.

Mae'r cynllun yn fras at ddefnydd teuluoedd gyda phlant oed cynradd neu iau. Gosodir y gwaith mewn bandiau, heb bennu oed penodol gan fod datblygiad a mynediad at y Gymraeg pob plentyn yn wahanol. Dylid anelu i gael plant yn gweithredu yn y bandiau melyn a gwyrdd yn lled annibynnol, gan fod sgiliau gweithio'n annibynnol yn un o dargedau addysg. Fodd bynnag, yn y bandiau glas, mae galw am fwy o sylw i'r plant oed cyn-ysgol, yn ogystal ag i'r gweithgareddau teulu. Pwrpas rhain yw cyfleoedd cydweithio, cyfathrebu a hefyd i wrando ar lais y plentyn wrth iddynt resymu a datblygu sgiliau cyflwyno syniadau, gwrandao ar eraill, ac addasu eu dadleuon (nid oes atebion cywir i 'Seiat Selog' – rhywbeth ysgafn gellid ei gadw tan amser bwyd).

I weithio fel adnodd annibynnol diogel, mae angen lawrlwytho'r apiau di-dâl canlynol: **Selog** (x5 **Canu**, **Canu2**, **Llyfrau**, **Ioga**, **Symud**), ac i'r plant iau yn benodol **Magi Ann** (mae dewis helaeth yn ôl yr oedran ond yma cyfeirir at **Llyfrau Bach Magi Ann** a **Llyfr Hwyl 4 Magi Ann**), **Bys a Bawd**, **Dewin a Doti**, **Atebol**, a **Tric a Chlic**. Adnodd penigamp, fel amheuthun am weithio'n annibynnol, yw ap **Cyw Tiwb** (neu **S4Clic** i'r plant hŷn), dylid ei ystyried fel adnodd gwerthfawr dysgu Cymraeg i deuluoedd di-Gymraeg, gan ychwanegu at eirfa siaradwyr Cymraeg iaith-gyntaf hefyd. Yna, i symbylu'r plant ar ddechrau'r wythnos, bydd clipiau fideo gan Elin yn ymddangos ar **Facebook** newydd **Selog**, gan amlygu amserlen yr wythnos a hefyd gosod yr heriau a dangos safle ioga'r wythnos. Ar Facebook ceir **y taflenni gwaith i'w lawrlwytho'n wythnosol** ac yn yr un modd croesewir y plant i rannu lluniau o'u gwaith er mwyn derbyn adborth cadarnhaol. Mae modd hefyd dderbyn y taflenni gwaith a chopïau o eirfa a chyfieithiad yr holl apiau (heblaw am Llyfrau) drwy e-bostio [selog@mentermon.com](mailto:selog@mentermon.com).

Cynigir gwobrau i annog y disgyblion i ddal ati, ac iddynt gael clod yn eu hysgolion. Mae cyfle i gofrestru fel aelod o '**Clwb Selog**' gyda'u henwau cyntaf yn unig ag enw eu hysgol drwy riant yn e-bostio at [selog@mentermon.com](mailto:selog@mentermon.com). Pan fydd yr ysgolion nol yn eu trefn, tynnir 3 enw o'r het er mwyn i 3 **ysgol lwcus dderbyn ymweliad gan Selog** a sesiwn canu, stori, symud a ioga i'r plant yn nosbarthiadau'r plant buddugol. Yn ogystal bydd **2 wobwr wythnosol o lyfr straeon** i blant sy'n rhannu eu gwaith â Selog, unai drwy Facebook Selog Ap, trydar @SelogAp neu drwy e-bostio [selog@mentermon.com](mailto:selog@mentermon.com). Y gobaith yw y bydd Selog yn llwyddo rhoi ychydig o sylw ac adborth i'r plant lle na all y rhieni ymateb bob tro, gan hefyd **rannu'r atebion i'r gwaith bob dydd Gwener ar Facebook**. Bydd hyn yn gyfle i'r plant, fel ag yn yr ysgol, i farcio a hunan asesu yn annibynnol. Dim ond staff cymwysedig i weithio gyda phlant, yn athrawon neu hyfforddwyr, ac yn gweithredu i bolisi amddiffyn plant Menter Iaith Môn gan feddu ar DBS clir, sydd am gyfathrebu ar ran Selog ar fb/trydar/e-bost.

Paratowyd yr adnodd ar frys i ymateb i'r galw gan deuluoedd felly gwerthfawrogwn unrhyw adborth gennych. Llwyddiant yr ymdrech fydd clywed eich bod fel oedolion wedi cael cyfle i gefnogi addysg annibynnol y plentyn adref yn defnyddio apiau. Mae cyfoeth o weithgareddau Cymraeg ar-lein hefyd, i'w weld ar <http://mentrauiath.cymru/digwyddiadaur-mentrau-iaith/>. Ac o ran adnoddau addysgiadol ar-lein, y man cychwyn yng Nghymru yw 'Hwb' gyda llawer o adnoddau pynciol ar <https://hwb.gov.wales/> Adnoddau a BBC Bitesize Cymraeg. Felly peidiwch anobeithio o ystyried her dysgu adref. I'ch atgoffa, diben Cwricwlwm i Gymru yw meithrin:

1. ddysgwyr uchelgeisiol, galluog sy'n barod i ddysgu drwy gydol eu hoes
2. cyfranwyr mentrus, creadigol sy'n barod i chwarae eu rhan yn llawn yn eu bywyd a'u gwaith
3. dinasyddion egwyddorol, gwybodus yng Nghymru a'r byd
4. unigolion iach, hyderus sy'n barod i fyw bywyd gan wireddu eu dyheadau fel aelodau gwerthfawr o gymdeithas

Ac yn y cyfnod yma o ddysgu adref, y sgiliau sy'n hanfodol eu meithrin i gyflawni'r pedwar diben uchod yw:

- creadigrwydd ac arloesi
- meddwl yn feirniadol a datrys problemau
- effeithiolrwydd personol
- cynllunio a threfnu

Felly annibyniaeth amdani! I chi... a'r plant. Yn ogystal byddwch yn cyflawni un o amcanion eraill y Cwricwlwm, o dan ofynion y Siarter Iaith, sef: 'Arweiniad i ddysgwyr ynghylch cyfleoedd i ddefnyddio'r iaith tu hwnt i'r ysgol ac anogaeth a chefnogaeth i ddysgwyr ddefnyddio'r Gymraeg drwy dechnoleg a chyfryngau cymdeithasol.'

Pob lwc a bendith, gan obeithio bydd adnodd Selog, o 12 wythnos, yn gymorth i'r teulu ddysgu o adref drwy Dymor yr Haf.

# 12 Weeks of Support Learning at Home...in Welsh!

This Selog resource is for learning from home for families which will hopefully be particularly useful to eg:

- non-Welsh speaking families where children, out of school, no longer have the opportunity to learn Welsh,
- families where the parent is working from home, so not free to teach or give children much attention,
- Welsh-speaking families who need a plan but don't have the time to seek out scattered resources,
- families where many children or other extra caring duties is a full-time job without planning for teaching.

The plan is for families with primary school children or younger. The work is set out in colour bands, without attaching ages, as children's development and access to Welsh varies for each individual. Since independent learning is a teaching aim, the target for children working in the yellow or green bands to be reasonably independent. Naturally in the blue bands more attention is needed, with the pre-schoolers as well as the family activities. The aim of the latter is to give opportunities to cooperate, communicate and also to listen to the child as they reason and develop their communication skills by presenting ideas, listening to others, and adapting their arguments accordingly (there are no right answers for Seiat Selog discussions).

To be useful as an independent and safe teaching resource, you'll need to download the following free apps: **Selog** (x5 **Canu**, **Canu2** (both singing), **Llyfrau** (books), **Ioga** (ioga), **Symud** (fitness & nature)); and specifically for the younger children **Magi Ann** (a whole range of apps but references here to **Llyfrau Bach Magi Ann** and **Llyfr Hwyl 4 Magi Ann**), **Bys a Bawd**, **Dewin a Doti**, **Atebol** and **Tric a Chlic**. A brilliant app for a treat for working independently is **Cyw Tiwb** app (or **S4Clic**, looking out for 'Stwnsh' or 'Rownd a Rownd' with subtitles, for the older children) which should be considered as a valuable Welsh teaching resource for non-Welsh-speaking households, as well as enriching the vocabulary of first-language speakers too. Then, to motivate the children at the beginning of each week, video clips by Elin will appear on **Selog's** new **Facebook** page, where she'll outline the weeks plan as well as set the challenges and try out the week's yoga pose. Also on Facebook you'll find the **free worksheets to download** and to reciprocate children are welcome to share pictures of their work in order to receive positive feedback. To receive the worksheets and Welsh and English text for all the Selog apps (apart from the Books) you can email [selog@mentermon.com](mailto:selog@mentermon.com).

**Prizes** are offered to encourage pupils to persevere, and to gain praise from their schools. By emailing their first name only and school to [selog@mentermon.com](mailto:selog@mentermon.com) they become members of the '**Clwb Selog**' club and when the schools are back to normal three lucky winners will be drawn with a **Selog Visit** to those children's **schools/classes** for a combined singing, story, fitness and yoga session. Furthermore there'll be **2 story book prizes a week** for children sharing their work with Selog, either on Facebook, twitter @SelogAp or through emailing [selog@mentermon.com](mailto:selog@mentermon.com). The hope is that Selog succeeds in giving some attention and feedback to the children when parents cannot always respond. Also the **answers to worksheets** will be shared on **Fridays on Facebook** enabling the children to mark and self-assess their own work independently, as they would do in school. Only staff professionally qualified to work with children as teachers or trainers, with clear DBS and working to Menter Iaith Môn's Child Protection Policy, will communicate on behalf of Selog on fb/twitter/email.

This resource has been put together in a rushed response to requests by families, so we appreciate any of your feedback. It will be deemed a success, if it's provided you with the opportunity to support the independent learning of your child at home using apps. As for on-line activities, there's a wealth on offer on <http://mentrauiath.cymru/digwyddiadaur-mentrau-iaith/?lang=en>. As for educational resources on-line, the go-to destination in Wales is <https://hwb.gov.wales/> Resources or BBC Bitesize Cymraeg. Don't be daunted by the home-teaching challenge. As a reminder the 4 purposes of the Curriculum for Wales are to foster:

1. ambitious, capable learners, ready to learn throughout their lives
2. enterprising, creative contributors, ready to play a full part in life and work
3. ethical, informed citizens of Wales and the world
4. healthy, confident individuals, ready to lead fulfilling lives as valued members of society

And in this time of learning from home, the integral skills that need to be developed to achieve the above purposes are:

- creativity and innovation
- critical thinking and problem-solving
- personal effectiveness
- planning and organising

So independent learning it is then! For you ... and the children. In addition, you will also be fulfilling another Curriculum goal under the Welsh Language Charter, namely: "Guidance given to learners about opportunities to use the language beyond school and encouragement and support for learners to use Welsh through technology and social media."

All the best to you, in the hope that this 12-week Summer Term Selog resource will be helpful to you as you support your family learning from home.
